GHYC Junior Sail – Scholarship Application

We know that you have a full schedule, so GHYC Junior Sail scholarship application is quick and easy.

Complete the bottom portion of this page. Indicate if applying for a full or partial scholarship and please include a brief statement from parent or guardian:

1. Three specific ways in which your child will benefit from taking a GHYC Junior Sail camp
2. The reason why financial assistance is being requested

If your child receives a scholarship, we ask that they write a thank you note to the GHYC Junior Sail within two weeks of the last day of their camp. The note should describe your child's experience and how Sail Camp impacted them. GHYC Junior Sail saves these letters to share with scholarship donors so they know the impact of their donation and will continue to provide opportunities for other children.

Please submit scholarship applications any time after March 1. Availability of camps is on a first come first served basis—so we encourage you to apply early.
